Please Note:

At Huntington Academy of Dance, safe training and injury prevention are a priority. Please check your student's list of recommended classes before enrolling. Students may not take both of their technique classes on the same day. (i.e. Standard 1 and Level 1A must be taken on alternate days) New students will be evaluated for proper class placement at their first class. HAD has class placement policies and guidelines that were designed for the safety of all students. Please take a moment to review these at
